Classification (KS1)

Is it a bird? Is it a mammal? No, it's a reptile. Come and learn how to categorise creatures based on their curious characteristics. ○

Classification (lower KS2)

The hip bones connected to the backbone, well if you have one that is. Join us on a journey into the incredibly diverse world of invertebrates and vertebrates and discover how we classify a variety of animals based on their similarities and differences. ○

Classification (upper KS2)

1.5 million and counting; with such a diverse world of amazing animals it can all get a bit confusing. Let's learn how to use the Linnaeus system to categorise all living species on earth. ○

Life cycles (upper KS2)

Mammals, insects and amphibians: All living things grow, change and reproduce. Let's lift the lid on the wonderful world of life cycles and explore the eternal circle of life.

Habitats (KS1)

Our surroundings shape who we are. Come and learn about the diverse world of habitats and how they provide homes for every living thing on earth. ○

Adaptations (KS2)

With competition for food and shelter animals are locked into a constant struggle to survive in an ever-changing world. Come and learn how animals have adapted to fight for their survival. ○

Evolution and Inheritance (upper KS2)

Nothing stays the same for ever, in a fast paced ever changing world - you either adapt or die. Explore how and why animals have evolved into the innumerable forms we see today. ○

Animal superheroes (KS1 and KS2)

Discover a world of real-life super heroes here at Dartmoor zoo where super powers are not just in the movies. ○

Super Transport Savings!

Dartmoor Zoo has partnered with Tamar Coaches who will offer a reduced rate of £75 for the entire day when booking between 9am and 3pm.

Close encounters (KS1 and KS2)

Get up close and personal with some of our charming reptiles and invertebrates while being dazzled by fascinating facts from one of our amazing animal experts. ○

'We Designed a Zoo' (upper KS2)

Finances, public relations, enclosure design; put all of your skills to the test with our competitive award-winning design a zoo challenge. ○
