EYFS

Close Encounters

Get up close and personal with some of our more unusual and exotic animals. Learn more about the reptiles and invertebrates that call Dartmoor Zoo their home. Be truly wowed by these curious and wonderful animals.

Head, Shoulders, Tails & Scales

The animal kingdom is vast, varied and exciting. Come to Dartmoor Zoo to learn how to group animals based on their similarities and differences.

KS1

Classification

Is it a bird? Is it a mammal? No, it's a reptile. Come and learn how to categorise creatures based on their curious characteristics.

Habitats

Come and learn about the diverse world of habitats, what animals call these their homes and why they need saving.

KS2

Classifications & Adaptations

Join us on a journey into the incredibly diverse world and discover how we classify a variety of animals based on their similarities and differences. Also explore how and why animals have evolved into the forms we see today.

Animal Superheroes

Discover a world of real-life superheroes here at Dartmoor Zoo where superpowers are not just in the movies.

Close Encounters

KS3 & KS4

Close Encounters

Evolution and Inheritance

In a world full of challenging conditions and conflict you either adapt or die. Come and see how our animals have adapted to face these challenges.

Captive Breeding

With so many species becoming increasingly endangered it is more important than ever to ensure that efforts are made to save them. Come and gain a fascinating insight into the complexities of captive breeding.

'We Designed a Zoo'

Finances, public relations, enclosure design; put all of your skills to the test with our competitive award-winning design a zoo challenge. This is a three hour workshop. Additional charges apply.

Our Planet

The world and its animal inhabitants are under threat! In this enlightening workshop we will discover what these threats are and what can be done to save our worlds precious biodiversity.
