

Secondary (KS3 & KS4)

Science in the Workplace

Gain an insight into how we use science every day whilst running a zoo with over 400 animals.

Careers in the Animal Industry

It takes a lot to run a zoo! Meet a menagerie of workers from a range of roles and find out more about this exciting, rewarding and fast paced industry.

Ethics

Yes or no; sounds like a simple choice, but in the complex world of zoo animal ethics you'll soon learn that making the right or wrong decision is anything but straight forward.

Close Encounters

Get up close and personal with some of our more unusual and exotic animals. Learn more about the reptiles and invertebrates that call Dartmoor Zoo their home. Be truly wowed by these curious and wonderful animals.

Pricing

Each workshop lasts for approximately 45 minutes, costs £30 and can accommodate a maximum of 30 students.

Our guided tour lasts for 45 minutes, costs £30 and can accommodate a maximum of 30 students.

Additional charges apply to outreach bookings.

Dartmoor Zoo has partnered with Tamar Coaches who will offer a reduced rate of £195 travel costs; including a 10:00am pick up from school and a 2:00pm collection time from Dartmoor Zoo.

How to book

Please fill in a booking form on our website and send it to education@dartmoorzoo.co.uk, alternatively you can ring 01752 837645 and speak to our Education Team.

T&Cs

In line with National Zoo Animal Welfare Policies, any animals used during these workshops will be a visual only experience.

Continued...

Evolution and Inheritance

In a world full of challenging conditions and conflict you either adapt or die. Come and see how our animals have adapted to face these challenges.

'We Designed a Zoo'

Finances, public relations, enclosure design; put all of your skills to the test with our competitive award-winning design a zoo challenge. This is a three hour workshop. Additional charges apply.

Animal Behaviour

During this session we investigate the ways in which we can study animal behaviour and attempt to improve our conservation and welfare standards.

Captive Breeding

With so many species becoming increasingly endangered it is more important than ever to ensure that efforts are made to save them. Come and gain a fascinating insight into the complexities of captive breeding.

Our Planet

The world and its animal inhabitants are under threat! In this enlightening workshop we will discover what these threats are and what can be done to save our worlds precious biodiversity.

Enrichment Design and Making

When it comes to animal welfare we are always aiming for excellence. Help us enrich the lives of our animals by creating a variety of sensory surprises.
