RAILROAD FOUR

FOUR PIECE WEDDING BAND

ABOUT

Meet the awesome Wildwood Folk—a tight-knit, 4-piece crew dishing out some seriously cool folk-infused pop vibes.

Picture this: the soulful echoes of Cat Stevens and Van Morrison blending seamlessly with indie folk anthems from The Lumineers and Mumford & Sons.

These musical wizards can also transport you to the roots of folk with tunes from The Dubliners, the spirited energy of The Pogues, and the emotive sounds of Damien Rice.

Originally a duo, the band now artfully weave their unique combination to create a rip-roaring, barn-storming sound that will have your guests piling onto the dancefloor!

Members of the band have won praise from modern folk hero Seth Lakeman and have featured on the BBC performing their original songs.

CUPCAKE COTTAGE

BAKER

ABOUT

Hi, I'm Emma, founder of Cupcake Cottage Ivybridge!

My love of baking began at a young age; I love how cakes bring people together and bring happiness to special occasions. I started my business by baking cupcakes for friends and family and as the word spread I started to move into birthday and occasion cakes, followed by wedding cakes and now after 4 years of business.

I can proudly say I've supplied over 100 wedding cakes to happy couples and become the official wedding cake supplier for St Mellion Estate, St Elizabeth's House and Elfordleigh Hotel.

Recently my dreams of opening my own cake shop have come true! Pop down to Fore Street in Ivybridge to say hello and pick up a treat!

I look forward to baking something beautiful for you!

ABOUT

My name is Gem, and I'm lucky to live in South Devon with my husband and teenage twins.

I enjoy being outdoors and being by the coast, and I absolutely love beach walks at sunset.

Family is really significant to me, and I look forward to our time together, driving along, singing at the top of our voices, and finding new adventures along the way.

As much as I love being outdoors, I also enjoy getting cosy with a lovely cuppa tea and watching a Netflix series or listening to an audible or podcast.

Getting to know you both individually and as a couple is vital. Every ceremony I perform is personalised and based around you, your stories and your wonderful lives together!

If I seem like a good fit, I'd love to chat!
